Admission

- Your application will now be checked. You should get a confirmation of your admittance within a few days if all the information has been added and uploaded properly.
 - Once you are admitted you will get an email notifying you that you received a letter in the section "Documents" of the "Application portal".
 - Within 48 to 72 hours after you have been admitted you will receive your UZH credentials as well in the section "Documents" of the "Application portal".
-

Module booking

- Log on to the [online module booking tool](#) (link to the tool at the bottom)
- By booking a module you are automatically registered for the exam as well.
- If you do not want to take the exam and the module after the first few weeks you need to cancel your registration before the dropping deadline. Otherwise a failure attempt will be registered for the module.
